

Men's Club Meeting November 2020

The meeting was called to order by President Gary Coover Thursday November 12th at 9:00 am.

Treasurers Report:

Beginning Balance.	\$5,030.02
Income.	\$789.20
Expenses.	\$105.20
Ending Balance.	\$5,714.02

There were comments made by members regarding the fine job that Gary had done on setting up and running the Fun Day tournament. 84 members participated in the tournament.

Jim Bird brought up the fact that we need to replace two existing board members this year. So if you have any interest in running, please let a current board member know.

There were four signup sheets placed on the tables requesting volunteers for the following jobs.

1. Refreshments
2. Rules
3. Tournaments
4. Setup & tear down

Gary is trying to set up a Ryder Cup type tournament with The Fountain of the Sun golf community. More information will be coming at a later date.

It was mentioned by President that he felt even though there is a lot of dislike for the current tee time starts, we would have never been able to provide a meal following the Fun Day Tournament and stayed within the guide lines of State Mandate.

There are currently three different tournaments being planned for this year. They are as follows.

1. The Sunland Village Cup
2. Sunland Village Ryder Cup
3. Ryder Cup w/ Fountain Of The Sun

We have five new members added to our golf league since our last meeting, as you see them please welcome them to the league.

There are some league members not receiving e-mails, notifying them of upcoming events. If you are having problems please let Gary Coover know.

If you are a new league member or an older member just wishing to have your picture retaken, Randy Blanch will be providing his services again this year. More information pertaining to time & location will be coming.

Fun Day Tournament Winner

- | | |
|--------------------|---------------------------------|
| 1st place winners | Gary Reynolds & Darwin Robinson |
| 2nd place winners. | Gary Vannata & Jim Hepp |
| 3rd place winners. | Bob Hall & Bill Wilson |
| 4th place winners | David Schiller & Vern Schommer |
| 5th place winners | Dave Groth & Andy Longhini |

Members comments

We still have some problems with slow play and putting out. This is something that other members of the group need to keep emphasizing. It is important that we are ready to play when it is our time up. And we all need to play by the rules that we have setup

We're asking all members and their guests to repair their divots not only in the fairways but also the tee boxes.

When instructed to use the 90 degree rule, it is important we follow managements instructions. We need to keep our golf cart the requested distance from the green.

Meeting Adjourned @ 9:17
