ANNOUNCEMENTS:

Guest Speakers:

Ryan DeBois, General Manager: Welcomed members for winter league Course is in great shape.

GHIN (Golf handicap index) system is coming up again with the mens league. Ladies league is encouraged to consider getting a GHIN handicap. If you already have membership with number you do not need to join again. We are the only golf course not using the GHIN system. For Sunland members to participate in activities with other golf courses players, they will need a GIN Handicap. If member of Sunland Village does not have a GHIN handicap they will not be able to participate in activities with other courses in the area. Benefits : everyone equal , other courses on gin and do not want to play with players without a gin handicap. Cost depends on number joining. All members encouraged to join the GHIN system. Cost can be added to league dues. App: you have access to all scores.

Hours of Course Ranger: Days and hours Monday through Friday. Rangers are volunteers. They start at 10:00am to 5 pm.

Rough: Is ruff being cut down anytime soon? It will be cut eventually. The idea is it will stay long longer into the season so it will be good in January / February when play is heavier.

Ryan Alexander, Assistant Golf Pro: Starting tomorrow... we are going to start mixing up the groups a little more. Encouraged to pair up with a partner in one cart. Better for the course, decreases wear and tear.

Ryan Alexander, assistant Golf Pro: RULES

- a) If you ball goes into a bush and you can not find it and everyone agrees it went into the bush. It is considered an unplayable ball and can be dropped with a one stroke penalty. If group does not agree, ball is considered out of bounds/lost ball. Player needs to go back and hit the ball from were the shot originated. One stroke penalty. Ditch not a stroke because man made.
- b) Relief from cartpath... can not have one foot in hazard.
