**Questions and Comments:**

A question was raised about the evening watering schedule by a member who likes to play taps at sunset. Since the evening watering is set by timer and sunset changes every evening, this would need further review.

The starting time for summer play was discussed. Mark Tripoli made the motion that starting time for league play be 6:30 am. The motion was seconded by Rick Cramer. Members who want to play later can do so but will not be included in the daily league awards (low net, hole in one and skins).

The meeting was adjourned at 9:35 AM by a motion from Mark Axtel with a second from Marv Bashford.

Respectfully submitted,

Bob Riggs, Secretary
