**Questions and Comments:** Mike Johnson showed a personalized SVGC bag tag and suggested they could be used for prizes or be purchased by whoever wants one.

Steve asked for 3 to 4 members to help with the Jack and Jill Tournament. We plan to cook burgers and he can use the help.

The results of the vote for the irrigation system were 132 for, 93 against, and one No vote. We would like to get the work done this summer if things work out.

Don Wick reported on the upcoming Home and Home with Sunland Springs and the first day will be here with check-in at 9:30 followed by breakfast. We need to have our people at the club house by 9:15. The second day will be at Sunland Springs with coffee and donuts at 7 am and a shotgun start at 8 am. The \$70 cost includes the \$5 dollar mulligan fee. The goal is to have 44 members and are presently at 22.

It was brought to the attention of the group that we didn't have a very favorable showing of our course and set up for the last Home and Home and we should do a better job of getting ready. Brad said that he and Billy would take care of it.

A member said thank you to Billy for his job in getting information out by email in a timely manner. It is appreciated.

It was moved and seconded that the meeting be adjourned.

Respectfully submitted,

Ray Sedey, Secretary
